Non-refundable activity fee of \$100 will be due by May 1 to hold your child's space in the program. We will need a minimum number of enrolled students for each session.

We are working towards specific program plans that will include a weekly outing and/or presenter, and setting up our own farm space at school so that it can be cared for and enjoyed each day and into the academic year. Outings will likely include trips to the Glen, Gaunt Park Pool, community service trips, and other walkable explorations. A summer calendar will be distributed as we get a better understanding of student enrollment.
